P5	Categories — Country	/categories/country	Copy of P4*	Same grid, 195 bilateral pairs
P6	Categories — Leader	/categories/leader	Copy of P4*	Same grid, 25 designations
P7	Article Detail	/article/:slug	Unique	Full article read page
P8	Search Results	/search	Unique	Query-driven results page
P9	My News	/mynews	Unique	Reader's saved content hub
P10	Subscription / Pricing	/plans	Unique	Plan comparison & upgrade page
P11	Reader Profile	/profile	Unique	Account settings & interests
P12	Sign Up	/signup	Unique	6-step onboarding flow
P13	Login	/login	Unique	Auth page
P14	Podcast Listing	/podcasts	Unique	Post-launch
P15	Top News	/topnews	Copy of P3*	Paid placements — post-launch

* Purple = Template copy — same layout, only content/data changes. Build once, reuse.

P1 · HOME / FEED PAGE · /feed

Default page after login. Shows personalised news based on reader's selected categories. Three-column layout (Left Nav | Center Feed | Right Sidebar). Seen in Screenshot 1.

TOP HEADER BAR — Logo | Search | Language | Notifications | Dark Mode | Profile Avatar | Upgrade CTA

MEGA MENU — Feed · Headlines · Trending · Categories · My News (each with sub-menu dropdown)

LEFT SIDE PANEL (22%)

CENTER FEED (50%)

RIGHT SIDEBAR (26%)

P1-Z1 · TOP HEADER BAR (Persistent across all pages)

Logo + Brand Name

"News / India Global News" — top left. Clicking returns to /feed.

Search Bar

Center-top. Placeholder: "Search headlines, people, topics..." with keyboard shortcut **■**K. Expands on focus.

Language Selector

Flag icon + "English" dropdown — top right. Currently English; Hindi planned.

Notification Bell

Bell icon — top right. Unread badge count. Clicking opens notification panel.

Dark Mode Toggle

Sun/moon icon — top right. Toggles light/dark theme.

Profile Avatar / Login CTA

Circle avatar for logged-in reader. Shows "Login / Sign Up" if logged out.

Breaking News Ticker

Red marquee strip below header — scrolling "BREAKING: [Headline]" — appears only when editorial marks article as Breaking.

Plan Badge

Small coloured badge next to avatar: FREE / READER / LEADER / CORPORATE.

Upgrade CTA Button

"Upgrade Now" pill button — top right — visible only to Free plan readers. Links to /plans.

P1-Z2 · LEFT SIDE PANEL (Navigation + About)

NAVIGATIONS Label

Section label "NAVIGATIONS" — uppercase gray text.

Feed Nav Item

Home icon + "Feed" — active state highlighted (filled background). Links to /feed.

Headlines Nav Item

Megaphone icon + "Headlines". Links to /headlines.

Categories Nav Item

Grid icon + "Categories". Links to /categories/sector.

Trending Nav Item

Flame icon + "Trending". Links to /trending.

Search Nav Item

Search icon + "Search". Links to /search.

✓ FROM UI	ABOUT NEWS Label Section label "ABOUT NEWS" — uppercase gray text.
✓ FROM UI	Global Signal Desk Card "Global Signal Desk" — tagline: "Curated reporting, community commentary and personalised digests for teams." Tags: Est.2025, Global, Community-led. Stats: Members, Bureaus, Briefings.
✓ FROM UI	Newsletter Box Email input + "Newsletter" button — dark navy. Subscribe to IGN newsletter.
✓ FROM UI	Privacy & Terms Links "Privacy · Terms" footer links + "@2025 News" + version tag V0.1.0.
+ NEW ADD	My News Quick Links Under navigation: Bookmarks shortcut, Read Later shortcut — quick access icons.
+ NEW ADD	"Explore IGE" Banner Small card: "Explore India Global Expo →" — cross-navigation to IGE platform.

P1-Z3 · CENTER FEED — SUB-TAB BAR

+ NEW ADD	Sub-Tab Bar Three tabs inside Feed: [Sector News Feed] [Country News Feed] [Leader News Feed]. Default active: Sector News Feed.
+ NEW ADD	Active Tab Indicator Teal underline + bold text on active tab. Smooth transition animation on switch.

P1-Z4 · CENTER FEED — "NOW READING" SPOTLIGHT CARD (Top of Feed)

✓ FROM UI	"Now Reading" Label Small "NOW READING / Desk" label with sparkle icon at top of spotlight card.
✓ FROM UI	Spotlight Headline Bold large headline text — 2 lines max.
✓ FROM UI	Metadata Row Category tag (e.g. Technology) · Timestamp (e.g. about 10 hours ago).
✓ FROM UI	Topic Chips/Tags Coloured pill chips — e.g. [Technology] [ai-tech]. Clickable — filters to that topic.
✓ FROM UI	Read Time "5 min read" — small gray text.
✓ FROM UI	"Open Article" Button Dark navy CTA button — full width inside card. Links to /article/:slug.
+ NEW ADD	Bookmark / Save Icon Bookmark icon on top-right corner of card. One-click saves to My News → My Bookmarks.
+ NEW ADD	Share Icon Share icon on top-right corner — opens share sheet (LinkedIn, WhatsApp, Twitter, Copy Link).

P1-Z5 · CENTER FEED — "UPCOMING HIGHLIGHTS" LIST (Left column of center)

✓ FROM UI	"Upcoming Highlights" Title Section label — bold. Shows 6–8 article titles in a compact list format.
✓ FROM UI	Article Title (List Item) Bold headline text — 1-2 lines. Category + read time metadata below.
✚ NEW ADD	Hover State Slight background highlight + underline on article title on hover.
✚ NEW ADD	Bookmark on Hover Bookmark icon appears on right side of list item on hover/long-press — saves to My Bookmarks.

P1-Z6 · CENTER FEED — MAIN NEWS CARD (Large center article)

✓ FROM UI	Hero Image / Video Large full-width image (16:9). If video: thumbnail with play button overlay.
✓ FROM UI	Source Avatar + Name Circular icon (country/source flag or letter) + source name (e.g. "India"). Timestamp + read time.
✓ FROM UI	Article Headline Bold large headline — max 2 lines.
✓ FROM UI	Article Summary/Lead Body text preview — 3–4 lines. Truncated with "..." for longer articles.
✓ FROM UI	Category Tag Chips Coloured pill tags: [India] [Infrastructure] [National] [Governance] [Public Policy]. Clickable.
✓ FROM UI	"Read Full Story" Button Dark navy full-width CTA button. Links to /article/:slug.
✓ FROM UI	Engagement Bar Like count (■ 468) · "52 Comments" · "71 Sharings" — displayed above action buttons.
✓ FROM UI	Like Button "■ Like" — text + icon. Toggles liked state. Updates like count.
✓ FROM UI	Comment Button "■ Comment" — opens comment drawer/section.
✓ FROM UI	Share Button "■ Share" — opens share sheet.
✚ NEW ADD	Save / Bookmark Button "■ Save" — new button in action bar. Saves article to My News → My Bookmarks. Shows "Saved" state after click.
✚ NEW ADD	Read Later Button "■ Read Later" — saves to My News → My Read Later queue.
✚ NEW ADD	"Premium" Lock Overlay For articles beyond free plan: blurred content + lock icon + "Upgrade to Read" overlay on summary.
✚ NEW ADD	Article Type Badge Small badge top-right of card: "IGN Exclusive" (Manual AI) or "RSS" (aggregated). Builds trust.

P1-Z7 · RIGHT SIDEBAR — TRENDING NOW WIDGET

✓ FROM UI	"Trending Now" Header Section title — bold. Shows top 4 trending articles.
✓ FROM UI	Trending Article Row Small thumbnail (left) + bold headline + category · region tags. Clicking opens article.
✓ FROM UI	"Most Discussed" Section Below Trending Now — discussion-driven articles with comment count + timestamp.
✓ FROM UI	Most Discussed Article Row Headline text + Category · comment count · time ago. No thumbnail.
+ NEW ADD	Bookmark on Sidebar Items Bookmark icon on hover for each sidebar article row.
+ NEW ADD	"Trending in Your Sector" Widget New widget below Most Discussed — shows top 3 articles specifically in reader's selected sectors.
+ NEW ADD	"Explore IGE" Ad Widget Branded card: "Looking for trade partners? Explore India Global Expo →" — cross-navigation.
+ NEW ADD	Newsletter Subscribe Widget Email input + "Subscribe to IGN Weekly" CTA — in sidebar.

P2 · HEADLINES PAGE · /headlines · [COPY OF P1 — SAME LAYOUT]

Same 3-column layout as Feed (P1). Left panel unchanged. Right sidebar unchanged. Only CENTER zone changes. Seen in Screenshot 2 (Headlines active in left nav).

P2-Z1 · DIFFERENCES FROM FEED (Center Zone Only)

+ NEW ADD	Sub-Tab Bar Three tabs: [Sector News Headlines] [Country News Headlines] [Leader News Headlines].
✓ FROM UI	"Headlines Briefing" Spotlight Card Label changes to "HEADLINES BRIEFING / Daily Signal". Shows most-discussed article (weighted by likes + comments).
+ NEW ADD	Content Ranking Articles ranked by likes + comments weightage — most discussed first (not chronological like Feed).
+ NEW ADD	Associated News Badge "Related to your interests" orange tag on articles shown outside reader's selection (associated content).
+ NEW ADD	"Upgrade to Unlock" Prompt on Associated Clicking associated article shows upgrade prompt if not on paid plan.
✓ FROM UI	Right Sidebar — "Most Discussed" Primary "Most Discussed" section moves to TOP of right sidebar on Headlines page (matching screenshot 2).
✓ FROM UI	Right Sidebar — "Featured" Section "Featured" section (thumbnails + headlines) appears below Most Discussed on Headlines page.

+ NEW ADD	Save / Bookmark + Read Later Buttons Same as Feed — all news cards have Save and Read Later actions.
--	--

P3 · TRENDING PAGE · /trending · [COPY OF P1 + EXTRA FILTER BAR]

Same 3-column layout as Feed (P1). Key difference: CATEGORY FILTER TABS appear as a horizontal pill-tab bar at the top of the center column. Seen in Screenshot 3.

P3-Z1 · DIFFERENCES FROM FEED (Center Zone)

✓ FROM UI	Category Filter Pill Bar "All Trends Business Culture Science Technology Politics Economy Finance" — horizontal scrollable tabs. Active tab = filled navy. Corresponds to Sector News categories.
+ NEW ADD	Sub-Tab Bar (IGN) Below filter bar: [Sector News Trending] [Country News Trending] [Leader News Trending] — same as other pages.
✓ FROM UI	"Trending Spotlight / Pulse" Card Left column card: Label "TRENDING SPOTLIGHT / Pulse" + description "Real-time snapshot of stories gaining rapid attention." + list of 5 trending article titles with category + time.
+ NEW ADD	Time Filter Toggle Dropdown or pill toggle: "Today This Week This Month" — above Trending Spotlight.
+ NEW ADD	"Trending Heatmap" Widget New: Visual 4x5 grid of all 20 sectors, coloured by activity level (dark = hot, light = quiet). Placed at top of center.
+ NEW ADD	"Viral Alert" Badge On article cards that gained 100+ likes in under 2 hours — "Viral" badge.
✓ FROM UI	Right Sidebar — "Signals Guide" "Signals Guide" info card — explains: "Trending score combines reactions, shares, and cross-network mentions."
+ NEW ADD	Unlock Prompt on Non-Selected Content All content visible as previews; reading full article of non-selected content triggers Upgrade Now.
+ NEW ADD	Save / Bookmark + Read Later Buttons Same action bar as Feed.

P4/P5/P6 · CATEGORIES PAGES · /categories/sector | /country | /leader

P4 = Sector News (build this). P5 = Country News (copy of P4, swap content). P6 = Leader News (copy of P4, swap content). All accessed via Mega Menu → Categories dropdown.

P4-Z1 · SECTOR NEWS CATEGORIES PAGE

+ NEW ADD	Page Header "Categories" page title + sub-nav: [Sector News ●] [Country News] [Leader News] — tabbed.
+ NEW ADD	Sector Grid 4-column grid of 20 sector cards. Each card: Sector icon, Sector name, article count, trending indicator (■ or ↑).
+ NEW ADD	Sector Card — Hover State On hover: slight scale up + show "View Industries →" CTA + article count badge.

	Sector Card — Free Lock Indicator Sectors beyond free plan (>2) show lock icon overlay — clicking triggers Upgrade Now.
	Industry Drill-Down Page Clicking a sector opens /categories/sector/[name] — shows list of all ~50 industries in that sector. Same card grid layout.
	Industry Card Industry name + article count + sector parent tag. Clicking opens filtered article feed for that industry.
	Activity Bar Chart Mini 7-bar sparkline on each sector card — article volume over last 7 days.
	"Most Active" Badge "Most Active This Week" badge on the highest-volume sector.
	P5 — Country Cards Same grid. 195 bilateral pair cards (USA–India, UK–India...). Default order: trade volume. Toggle for alphabetical.
	P6 — Leader Designation Cards Same grid. 25 designation cards (CEO, CFO, CTO...) in priority order. Each shows article count.

P7 · ARTICLE DETAIL PAGE · /article/:slug

Full article reading experience. Two-column layout: Wide article body (left, ~70%) + Narrow sidebar (right, ~30%). No left navigation panel — maximises reading width.

P7-Z1 · ARTICLE HEADER

	Breadcrumb Feed > Sector News > Technology > [Article Title] — breadcrumb nav at top.
	Category Tag Chip Coloured category tag — e.g. [Technology]. Clickable → goes to /categories/sector/technology.
	Article Headline (H1) Large bold headline — main H1 of page.
	Article Sub-headline Optional italicised sub-headline / deck.
	Author / Source Line "By [Writer Name] IGN Editorial" for Manual AI. "Source: [Publication]" for RSS AI. With timestamp and "Last updated" time.
	Read Time "5 min read" — gray metadata.
	Share Bar (Top) LinkedIn, WhatsApp, Twitter/X, Copy Link — icon row below author line.
	Save + Read Later Buttons Bookmark icon (Save to My Bookmarks) + Clock icon (Add to Read Later) — top right of article.

P7-Z2 · ARTICLE BODY

✓ FROM UI	Hero Image Full-width hero image with caption below. 16:9 ratio.
✓ FROM UI	Article Body Text Well-spaced body text. H2 sub-headings for long articles. Pull quotes styled differently.
+ NEW ADD	Inline Tags Highlighted/linked entity names — company names, leader names link to search/category pages.
+ NEW ADD	Text Resize Controls "A- / A+" buttons — accessibility text size control. Floating or in toolbar.
+ NEW ADD	"Listen to Article" Button Audio play button — text-to-speech. For paid plans.
+ NEW ADD	Translation Toggle "Read in Hindi" button — translates article body.
+ NEW ADD	"Ask IGN AI" Button Floating button: "Ask a question about this article" — AI-powered Q&A; panel slides in.
+ NEW ADD	Premium Paywall Blur After first 3 paragraphs for free readers: content blurs + "Continue Reading — Upgrade Now" CTA overlay.

P7-Z3 · ARTICLE FOOTER

✓ FROM UI	Tag Cloud All topic tags for the article — clickable chips.
+ NEW ADD	Like + Comment + Share + Save Bar Full engagement bar — same as Feed card. Sticky at bottom of article on scroll.
+ NEW ADD	"Companies Mentioned" List Auto-extracted company names mentioned in article — links to their profile/search.
+ NEW ADD	"Explore on IGE" CTA "This sector has upcoming trade events → Explore India Global Expo" — cross-navigation card.
✓ FROM UI	Related Articles Grid "More in [Sector]" — 3 article cards. Based on same sector/country/leader category.
✓ FROM UI	Comments Section Threaded comments. Like, reply, report on each comment. Load more pagination.
✓ FROM UI	Comment Input Box Text input with emoji support, submit button. Login required to comment.

P7-Z4 · RIGHT SIDEBAR (Article Page)

+ NEW ADD	Table of Contents Auto-generated from H2 headings — sticky sidebar nav for long articles.
+ NEW ADD	"Most Read Today" Widget Top 5 most-read articles across the platform.

	"More from this Sector" Widget 3–4 article cards from the same sector category.
	Newsletter Subscribe Email + Subscribe CTA — same as left panel.
	Trending Topics Widget Tag cloud of currently trending topics.

P8 · SEARCH RESULTS PAGE · /search

Triggered by clicking search bar or pressing **K**. Full-page search results. Two-column layout: Results list (left 70%) + Filter panel (right 30%).

P8-Z1 · SEARCH COMPONENTS

	Search Input (Expanded) Large search bar at top of page with real-time autocomplete dropdown showing: article titles, sector names, leader names, company names.
	Autocomplete Suggestions Dropdown: "Articles matching X", "Sectors", "Leaders", "Companies" — categorised results.
	Recent Searches Below search bar (before query typed): "Recent: [last 5 searches]" with clear all.
	Trending Searches "Trending Searches" chips shown when search bar is focused but empty.
	Filter Bar Horizontal pill filters: All Articles Sectors Countries Leaders Companies. Date filter: Last 24h / Week / Month / All time.
	Sort Toggle "Most Recent" / "Most Popular" / "Most Discussed" sort options.
	Result Card Article card (thumbnail + headline + category + date + read time + like count). Bookmark icon on each.
	Highlighted Match Search keyword highlighted in bold within result headline and summary.
	No Results State "No results for X. Try: [broader search suggestion]" + Trending searches fallback.
	Voice Search Microphone icon in search bar — voice input on mobile.

P9 · MY NEWS PAGE · /mynews

Reader's personal content hub. All saved, bookmarked, and interacted content in one place. Accessible via Mega Menu → My News. Two-column layout.

P9-Z1 · MY NEWS SUB-TABS + CONTENT

	Sub-Tab Bar [My Favourites] [My Bookmarks] [My Read Later] [My Comments] [My Likes] — horizontal tabs.
	My Favourites Tab Star-saved articles. Grid or list view toggle. Sort by: Date saved / Most liked / Sector.
	My Bookmarks Tab Bookmarked articles. Remove bookmark option per item. Organise into Collections (folders).
	My Read Later Tab Queued articles with estimated total read time (e.g. "3 articles · 12 min total"). Mark as read.
	My Comments Tab All comments made by reader across the platform. With article context link.
	My Likes Tab All articles liked. Grouped by sector.
	Empty State For each tab when empty: Illustrated empty state + "Start exploring" CTA linking to Feed.
	Export / Download "Download as PDF" option for My Bookmarks (Leader/Corporate plan only).
	Reading Streak Widget "■ 7-day reading streak! Keep it up" — gamification widget in sidebar.
	Reading Stats Widget "This week: 14 articles read · 3 sectors · 2 new countries explored" — in sidebar.
	Collections Feature "+ New Collection" — create named folders inside My Bookmarks to organise saves by project/topic.

P10 · SUBSCRIPTION / PRICING PAGE · /plans

P10-Z1 · PRICING COMPONENTS

	Page Header "Choose Your Plan" title + sub-text: "Get access to India's most trusted B2B news platform."
	Billing Toggle "Monthly / Annual" toggle — annual shows discount (e.g. "Save 20%").
	Plan Cards Row 4 plan cards side-by-side: Free Reader (R) Leader (L) Corporate. "Most Popular" badge on Reader. "Best for Business" on Corporate.
	Plan Card — Free Price: ■0. Features: 2 sectors, 2 countries, 2 leaders, limited Feed. CTA: "Get Started Free".
	Plan Card — Reader Price: ■X/month. Features: All sectors, unlimited countries, all leaders, full Feed/Headlines/Trending, My News. CTA: "Start 7-Day Free Trial".

	Plan Card — Leader Price: ■X/month. All Reader features + Featured Leader Profile on IGN. CTA: "Become a Leader".
	Plan Card — Corporate Price: Custom / ■X/month. Multi-user, cross-sector analysis, API access, dedicated account manager. CTA: "Contact Sales".
	Feature Comparison Table Full comparison matrix below plan cards — rows: each feature, columns: each plan. Checkmarks and limits.
	FAQ Section Collapsible FAQs below table — "Can I change plans?", "What is a Leader Profile?", etc.
	Secure Payment Row Razorpay / Stripe logos + "SSL Secured" + "GST Invoice Available".

P11 · READER PROFILE PAGE · /profile

P11-Z1 · PROFILE COMPONENTS

	Profile Header Avatar, Name, Plan Badge, "Member Since" date, Edit Profile button.
	My Interests Section Current selections for Sector News, Country News, Leader News with edit icons. Free readers see "Upgrade to expand interests" prompt.
	Reading Activity Widget Articles read this month, Streak, Most-read sector, Total reading time.
	Subscription Management Current plan, renewal date, Upgrade / Downgrade buttons, Billing history link.
	Notification Preferences Toggle list: Breaking News, Daily Briefing, Weekly Newsletter, Comment replies, Trending in my sector.
	Account Settings Change email, Change password, 2FA toggle, Language preference, Delete account.
	Achievements / Badges "Sector Expert ■", "Globe Trotter ■", "Leader Watcher ■" — earned badges display.

P12 · SIGN-UP / ONBOARDING · /signup · 6-STEP FLOW

Step	Title	Content / Elements
1	Basic Info	Name, Email, Password fields. OR "Continue with Google / LinkedIn" OAuth buttons. T&C; checkbox.
2	Sector News	20 sector cards (grid). Reader taps to select. Free: max 2. Progress bar shows "1 of 6".
3	Industry Selection	For each chosen sector: list of ~50 industries. Select up to 5–10 (paid: more). "Skip" option.
4	Country News	195 bilateral country pairs. Default: trade-volume order. Alphabetical toggle. Select up to 2 (free).

5	Leader News	25 designation cards. Select designations of interest. CEO shown first.
6	Choose Plan	Plan comparison (Free vs Reader). Free pre-selected. "Upgrade" CTA. "Continue Free" option.

	Progress Bar Persistent across all 6 steps — "Step 2 of 6" + % complete fill bar.
	Skip Button "Skip this step →" on steps 3–6. Defaults to algorithm-driven selections.
	Back Navigation "← Back" to return to previous step without losing data.
	"Feed is Ready" Splash After step 6: animated splash screen "Your personalised feed is ready! █" before entering /feed.

■ **TEMPLATE REUSE MAP — BUILD ONCE, COPY & CHANGE CONTENT**

These page pairs share identical layout and component structure. Design/develop the BASE template once, then instantiate for each variant by swapping data, labels, and content logic only. Saves significant dev time.

Base Template	Copies (change content only)	What Changes	What Stays Same
P1 — Feed	P2 — Headlines P3 — Trending P15 — Top News	Center spotlight card label, content ranking logic, right sidebar widget priority, sub-tab labels	3-column layout, left panel, header, all component positions
P4 — Sector Categories	P5 — Country News Categories P6 — Leader News Categories	Card content (sector name vs country pair vs designation), grid data, card count badge	Grid layout, card design, lock overlay, filter bar, breadcrumb
Article List Card (Feed item)	Headlines card, Trending card, Search result card, Sidebar article row	Data fields, badge labels (Trending █ / Related / Premium), thumbnail size	Card structure, action buttons (Like/Comment/Share/Save/Read Later), typography

■ **UNIVERSAL COMPONENTS — PRESENT ON EVERY PAGE**

	Top Header Bar Logo, Search, Language, Notifications, Dark Mode, Avatar, Plan Badge, Upgrade CTA. Sticky on scroll.
	Mega Menu Feed · Headlines · Trending · Categories · My News. Each with sub-menu. Active page highlighted.
	Upgrade Now Modal Triggered by clicking locked content. Non-blocking overlay. Shows plan benefits + CTA.
	Notification Panel Slide-in panel from notification bell. Lists recent alerts. "Mark all read" option.
	Share Sheet Modal Opens on any Share button. Options: LinkedIn, WhatsApp, Twitter/X, Copy Link, "Share as Image".
	Footer About Us, Advertise, Contact, Privacy, Terms, Sitemap. Social links. Newsletter. Portal links. Download App.

NEW ADD	Cookie Consent Bar GDPR/DPDP-compliant cookie consent banner on first visit.
NEW ADD	Toast Notifications Brief pop-up feedback: "Saved to Bookmarks ✓", "Liked ✓", "Comment posted ✓".
NEW ADD	Loading Skeleton Skeleton placeholder UI while content loads — grey animated placeholder cards.

■ NEWS CARD — COMPLETE ELEMENT REFERENCE (Used across all pages)

Every news article card across Feed, Headlines, Trending, Search uses the same base component. Elements below apply universally.

Element	Description	Status	Visible On
